## Edvan Souza

Simmer Style is proud to welcome Edvan Souza to our international team. The 20 year old ripper from Jericoacoara in Brazil has an impressive bag of tricks with the Triple Spock and Cha Cho into E-Slider as his trademark moves. Although freestyle is his favorite discipline he is an impressive wave sailor, busting out innovative moves with an effortless style.

According to fellow team rider Emma Johansson S-37 (Simmer/Mitral); *“Edvan is always on the water, with a large smile practicing all the latest moves. He is a natural talent and has a fearless approach to windsurfing, he goes harder and jumps higher than most professional sailors in Jericoacoara. During my first year in Brazil, Edvan had no equipment of his own, he had to borrow boards and sails from the local windsurfing center and from friendly tourists. It’s a real Cinderella story”*, Emma adds.

All ready finishing 2nd in the Brazilian Championships, Edvan plans to compete in the EFPT and PWA tour next year. Edvan says: *“It is a dream come true to be sponsored by Simmer, I’ve been sailing on Icon for the past year, and they are fantastic sails.”*
