The Grand Prize is a kiteboarder's wildest fantasy... **A 10 day voyage for four people onboard the *Best Odyssey* as she sails around the Cape Verde Islands!**

The *Best Odyssey* is an ocean going luxury catamaran dedicated to the pursuit of wind and water sports. She's on a five year mission circumnavigating the globe in search of the world's most exceptional and untouched kiteboarding locations. In addition to kiteboarding, she's equipped to provide many more adventures – snorkelling, scuba diving, paddle boarding, paragliding, surfing, fishing, and sailing – all in the most remote and exotic places on earth...

No dream kiteboarding adventure would be complete without the company of the world's hottest professional talent. So joining the excursion will be Best's Nine Time World Champion – and fashion magazine cover girl – Kristin Boese. Listed in the *Guinness Book of World Records* for her championships in freestyle, wave riding and course racing, Kristin will be on board to provide the winner with expert kiteboarding guidance and instruction.

Entrants must submit photographs and taglines, in English, that show how their lives are 'Driven By Wind.' Photographs must include prominent representation of 2010 Best Kiteboarding products, and will be judged by a panel of experts on their creativity and humor.

The winner will be announced in September, 2010. The voyage on board the *Best Odyssey* will take place during the winter of 2011.
