

STOLEN!!

at the PWA World Cup here in Sylt, there was a new 400 rdm 100% mast delivered to the equipment tent for PHIL HORROCKS from Gaastra, Wrapped in bubble wrap, in a box and had MY NAME written on it. some Asshole stole it from the equipment tent, probably the same A'hole that stole 5 boards and a couple of other masts from other sailors...

Whoever took it, put it back! we need this stuff.. i think the boards were fanatics, tabou's and patrik boards, i guess someone will try sell this stuff, if someone offers you it, and you know they've been to sylt most likely with a van, and it looks dodgy

Kim Norgaard My bet would be that you have to look for some Lituanien guys (apx. 180/85kg) in a big Mercedes van... They passed thru Denmark 2½ weeks ago...
